HONORING RESIDENTS IN LONG TERM CARE

The THCEF memorial donation program is a wonderful way to honor residents in your facility while supporting fellow LTC employees as they pursue their educational aspirations. Your facility decides how much to donate to THCEF to honor a resident who has passed or for a special milestone.

How it works:

1. THCEF will send a donation form
2. You include the contact information for the resident or residents family
3. THCEF sends an acknowledgement to the facility as well as to the family of the honoree
4. Facilities can choose to be invoiced or mail a check with their donation form

To participate in the memorial donation program please complete the form below. We will contact you with additional information.
